

## Advantage and disadvantage

第一段:

s1 In recent years, whether **主題** has caused numerous controversies and drawn the attention of the public.

s2 While Some people insist that **優點/同意**, others believe that **缺點/不同意**

s3 Personally speaking, I think every coin has double sides, but the advantages outweigh the disadvantages.

第二段:

s1 **First and foremost, it is claimed that** (一句話,general 的優點),

s2 which is obvious since (稍微具體一點的優點,句子可以長一點).

s3 To further support the above statement, I will use my own experience as an example. For instance, **例子**

**1** 一定要出現具體時間、地點、人物)

第三段:

s1 **On the other hand, it is also argued that** (一句話,general 的缺點),

s2 which is reasonable as (稍微具體一點的缺點,句子可以長一點).

s3 **However, the drawbacks are minimal compared to the benefits, which can be established by a recent study by Oxford University which stated that 76% of people** **例子 2**

第四段:

S1 With all the points above, the conclusion can be made that **主題** because **and**

S2 In this regard, it is important that governments should devote sufficient funding and the public awareness should be raised to improve the situation.
